

# WELCOME HOME

**We're so glad you're here! We've been praying, waiting, and preparing for you.**

Cobblestone Community Church is a special place for a lot of reasons. Mainly Jesus is here. The people who call CCC home are an amazing group of genuine, nice, Jesus-loving people.

We welcome you to Cobblestone and pray you experience the reality of God's love and power.

If you have any questions or concerns, please feel free to go to our Info Center, grab a welcome crew member or email one of our pastors. They will be glad to answer your questions, show you around, help you check-in your kids and make sure you feel at home.

**We know it's a big step of faith to visit and hook up with a new church - so we want to make it easy for you to find your way.**

The best way to get the lay of the land is to explore this website; it's loaded with pertinent information. If you're new to Cobblestone, you might want to fly under the radar or hide inside a lamp shade! We understand, it can take several visits to figure out who everyone is, where everything is, to understand the "spiritual DNA" of the church and to meet new friends. So, take your time to find your pace and get into the flow of what God is doing here. We encourage you to relax, attend and trust the Lord. He knows just what you need and where you fit.

On the other hand, if you're new to CCC and ready to jump in with both feet, we welcome you to get connected with any area of ministry that looks interesting to you. If you'd like to get involved, we invite you to take the steps necessary to join the CCC Crew.

Please don't hesitate to ask any questions.
